AWS Summit: 11 & 12 April 2018

Whether you are new to the cloud or an experienced user, you can learn something new at AWS Summit Sydney. This free two day event is designed to educate and inspire you about AWS services and help you develop the skills to design, deploy, and operate infrastructure and applications. The event includes two global keynote presentations, over 100 educational sessions, and an interactive expo floor showcasing the role of technology in the 'Metropolis of the Future'.
